How do changes in district  
performance compare to changes in  
state performance?

# Change in Average Scale Scores, District/State Comparison Students Overall

Grade 8 – NAEP Reading (2003-2013)

District	District Change	State Change
Atlanta	15	7
Boston	4	4
Charlotte	4	3
Chicago	5	0
Cleveland	-2	3
District of Columbia Public Schools	6	9
Houston	6	5
Los Angeles	15	10
New York	5	1
San Diego	10	10

Note: Table includes only districts that participated, and had members of this specific subgroup, in both the 2003 and 2013 NAEP TUDA administrations. Chart compares the movement occurring in districts from 2003 to 2013 with the movement occurring in the state where they are located.
