The TN Coalition for Truth in Our Classrooms, will now advance to the House for consideration.

Rep. McKenzie of Knoxville) and one Republican (Rep. Gillespie of Chattanooga) voted yes, with three Democrats (Reps. Jones and Love of Nashville and Rep. Jernigan of Chattanooga) voting no. The vote was taken by voice vote, with a majority present.

The committee also heard expert insights on the legislative process and committee members, and encouraged everyone to tune into our Virtual Retention Watch Party on Tuesday, March 7th, from 4:30pm CT.

Next week, we'll be back at the Capitol and following movement on several significant bills and issues. To start the week, the Senate held a highly-anticipated sunset hearing regarding the Board of Education's proposed changes.

The Senate heard testimony from stakeholders, including educators, parents, and students, on the potential impact of these changes on the state's education landscape.

In addition, there were 184 bills introduced in the Tennessee General Assembly's 111th Regular Session, including bills related to education such as HB0784/SB0556 which passed out of the House K-12 Subcommittee on Tuesday, and is calendared to the House Education Administration Committee for consideration.

HB1090/SB1061 - A host of significant bills were also debated and discussed in education committees. HB1090/SB1061, which would require academic standards on the Civil Rights Movement for Tennessee high schoolers. To see all of the education-related bills that were introduced in the Tennessee General Assembly's 111th Regular Session, please visit the Legislative Watch Party page.
