

EdTrust's 30th Anniversary
Equity Matters Bootcamp
Washington, D.C.

May 4-6, 2026

EdTrust is acknowledging an important milestone at a time when our work is more important than ever. For 30 years, we've been committed to advancing policies and practices to dismantle racial and economic barriers in our nation's schools. Understanding the root causes of inequities within public education, we've worked alongside students, families, advocates, and partners to bring equity-centered research and evidence to policymakers, catalyzing deliberate and systemic progress toward a public education system that unlocks each student's potential and brightest future.

Your sponsorship commemorates our three decades of impact and marks your continued belief in our work and in the future that we are building together. By joining us as a sponsor, you are helping advance the necessary conversations to drive our advocacy in the year ahead. We will learn from each other, celebrate and reflect on the progress made, and envision a brighter future together. You'll help power a three-day training of educating advocates from across the country in May at our Equity Matters bootcamp in Washington, D.C., which will culminate in a celebration of our history, underscore the tenacity we need right now, and codify our vision for the future.
